Shared 1GB Network Connection

24x7 Security Monitoring

24x7 Network Monitoring

Controlled HVAC environment

Halon Fire Suppression

UPS & Diesel generator power backup

Server Hosting and Management Services:

1. Agency Provides Server and ISD Manages:

Example: An agency contracts with ISD to maintain their agency's server in the ISD Datacenter and wants ISD to manage the server.

Pricing:

\$100 for rack server

\$150 for tower server*

*** NOTE: This is for existing tower servers only. No new towers will be allowed into the ISD datacenter. All new agency servers must be rack mountable.**

Service provided:

Support for Multiple Domain Names

Server Maintenance

Security Patch management

Manage User Accounts

Address hardware and software issues

Backup and Recovery with off site storage

Raised Floor Datacenter

Redundant Connection to the Internet (DS3)

24x7 Security Monitoring

24x7 Network Monitoring

Controlled HVAC Environment

Halon Fire Suppression

UPS & Diesel Generator Power Backup

100Mbps Network Connection

SAN connectivity available (at additional cost). See SAN Storage section.

2. ISD Provides and Manages a Dedicated, Virtual Server:

Example: An agency contracts with ISD to provide a dedicated, Virtual Server, in the ISD datacenter, to be used exclusively by that agency. This server will be managed by ISD.

Pricing:

With 20GB of SAN Storage and 384MB of RAM \$100 per month

With 50GB of SAN Storage and 512MB of RAM \$150 per month

With 100GB of SAN Storage and 1GB or RAM \$200 per month

Contact us for pricing on any special needs such as additional storage, RAM, or processors.

Service provided:

Microsoft Server 2003 License

Operating system support via Microsoft Premier Support

Symantec Virus Protection

Stringent Security Policies

Server Maintenance
Security Patch management
Manage User Accounts
Address hardware and software issues
Backup and Recovery with off-site storage
All data stored securely on SAN and replicated off-site
Raised Floor Datacenter
Redundant Connection to the Internet (DS3)
Shared 1GB Network Connection
24x7 Security Monitoring
24x7 Network Monitoring
Controlled HVAC environment
Halon Fire Suppression
UPS & Diesel generator power backup

3. ISD Provides and Manages a Dedicated, Physical Server:

Example: An agency contracts with ISD to provide a dedicated, physical server located in the ISD datacenter to be used exclusively by that agency. This server will be managed by ISD.

Price: Monthly cost would be a negotiated price based on the purchase price of required server (server plus any required software, etc) plus 4% administrative fee and the \$100 per month for server management.

Service provided:

Address hardware and software issues
Backup and Recovery with off-site storage
All data stored securely on SAN and replicated off-site
Raised Floor Datacenter
Redundant Connection to the Internet (DS3)
Shared 1GB Network Connection
24x7 Security Monitoring
24x7 Network Monitoring
Controlled HVAC environment
Halon Fire Suppression
UPS & Diesel generator power backup

Consolidated Server Management:

Example: An agency contracts with ISD to consolidate their agency's servers onto ISD owned and managed servers and to host user accounts, data storage and printer sharing.

Pricing: \$1.50 per user per month - not to exceed 75 users (more than 75 users will require an agency owned domain, see “Server Hosting and Management Services” section)

Service provided:

Microsoft Server 2003 License
Operating system support via Microsoft Premier Support
Symantec Virus Protection
Stringent Security Policies
Server Maintenance
Security Patch management
Manage User Accounts
Address hardware and software issues
Backup and Recovery with off-site storage
All data stored securely on SAN and replicated off-site
Raised Floor Datacenter
Redundant Connection to the Internet (DS3)
Shared 1GB Network Connection
24x7 Security Monitoring
24x7 Network Monitoring
Controlled HVAC environment
Halon Fire Suppression
UPS & Diesel generator power backup
50GB of storage space on SAN
(Additional storage available, see “SAN Storage Services” section)

Remote Server Management:

Example: ISD can provide (on a case by case bases) support for a server that is physically located at the remote Agency. The various services provided and the associated pricing vary and are outside the scope of this document. Please contact ISD Office of Systems Administration for detailed information regarding services and pricing. *

* **NOTE:** This service is provided ONLY to agencies that have no way to manage their own server(s) AND has limiting factors (such as poor network connectivity) that preclude the server from being located at the ISD datacenter. This service is solely on a case-by-case basis.

SAN Storage Services:

* **NOTE:** The services shown and the associated prices are estimates based on the anticipated ISD owned Enterprise class SAN. To check when these services will be available, please contact ISD Systems Administration at 242-2238.

Example: An agency contracts with ISD to provide a storage solution on the ISD owned and managed Storage Area Network (SAN).

Pricing:

99GB or less:

Local Storage Only

Monthly Charge

\$6.00 per GB

Local Storage plus nightly off-site replication	\$7.50 per GB
Local Storage plus near real-time off-site replication	\$9.00 per GB

100GB to 499GB:

Local Storage Only	\$5.00 per GB
Local Storage plus nightly off-site replication	\$6.50 per GB
Local Storage plus near real-time off-site replication	\$8.00 per GB

500GB or more:

Local Storage Only	\$4.00 per GB
Local Storage plus nightly off-site replication	\$5.50 per GB
Local Storage plus near real-time off-site replication	\$7.00 per GB

Tape Backup Services:

Example: An agency contracts with ISD to provide tape backup and recovery service for an agency owned server.

Pricing:

Archiving (backing off to tape)	\$.20 per GB*
Vaulting (backing off to tape and storing off-site)	\$.30 per GB*

* **NOTE:** Initial minimum purchase of 100 GB of backup required.

Alabama Consolidated Email (ACE):

Example: Regular E-Mail provided by ISD for State Agencies

Pricing: * **NOTE:** New mailbox sizes and pricing will begin on May 1st, 2006.

- a. 100 MB Mailbox \$4.00

Services Provided:

Email retention for 7 days
Email backed up for 30 days
Public Folder access
Customized Address List
Spam Filtering
Virus Scanning of Email

- b. 250 MB Mailbox \$7.00

Services Provided:

Email retention for 7 days
Email backed up for 30 days
Public Folder access
Customized Address List
Spam Filtering
Virus Scanning of Email

- c. 500 MB Mailbox \$12.00

Services Provided:

Email retention for 7 days
Email backed up for 30 days
Public Folder access
Customized Address List
Spam Filtering
Virus Scanning of Email

- d. 1500 MB (1.5GB) Mailbox \$25.00

Services Provided:

Email retention for 7 days
Email backed up for 30 days
Public Folder access
Customized Address List
Spam Filtering
Virus Scanning of Email

Spam Filtering (for Agencies not currently using ACE)

Example: This charge is only for Agencies that use their own email system (not on ACE) and utilize ISD's enterprise SPAM filtering devices to filter the Agencies incoming email. **For Agencies that are using ACE for their email, the cost of this service is already included in your mailbox subscription.**

Pricing: \$0.25 per user per month

Antivirus Scanning of Email (for Agencies not currently using ACE)

Example: This charge is only for Agencies that use their own email system (not on ACE) and utilize ISD's enterprise anti-virus devices to scan the Agencies incoming email. **For Agencies that are using ACE for their email, the cost of this service is already included in your mailbox subscription.**

Pricing: \$0.25 per user per month

Handheld Devices

Example: ISD can provide the synchronization services between your ACE accounts (email, tasks, calendar, contacts, etc) and several handheld devices such as Blackberry, Treo, and various other "smartphones". The prices shown below are in **addition** to your handheld purchase price and monthly subscription to the wireless carrier.

Pricing:

Blackberry	\$5.00 per month per user
Other devices using active sync (including TREO) (Call for complete list of supported devices)	No Fee

List Server Service

Pricing: \$15.00 per list per month with unlimited members.

End User Support or Consulting Services

Pricing: \$95.00 per hour
